[Intro] - |Dm |Ab |D |Db
        ||:G7 |G6 |Cm |G :||

[Verse 1]
    G7   G6
The breath of the morning, I keep forgetting
    Cm   G
The smell of the warm summer air
  G7   G6
I live in a town, where you can't smell a thing
Cm   G
You watch your feet for cracks in the pavement

[Instrumental] - |G7 |G6 |Cm |G

[Verse 2]
G7   G6
Up above aliens hover
       Cm   G
Making home movies for the folks back home
   G7   G6
Of all these weird creatures who lock up their spirits
      Cm   G
Drill holes in themselves and live for their secrets

[Instrumental] - |G7 |G6 |Cm |G

[Chorus]
           F   C   G
They're all uptight, uptight
F   C   G
Uptight, uptight
F   C
Uptight, uptight

[Instrumental] - |G7 |G6 |Cm |G

[Verse 3]
```
  G7                          G6
I wish they'd swoop down in a country lane
Cm                        G
Late at night while I'm driving
G7                          G6
Take me on board of their beautiful ship
Cm                    G
Show me the world as I'd love to see it
```

[Instrumental] - |G7 |G6 |Cm |G

[Verse 4]
```
    G7                                G6
I'd tell all my friends but they'd never believe me
       Cm                         G
They'd think that I'd finally lost it completely
    G7                              G6
I'd show them the stars and the meaning of life
       Cm                                G7
They'd shut me away, but I'd be all right
```

[Interlude]
```
G6     Cm    G
   All right
    G7  G6   Cm     G
I'm alright, alright
```

[Chorus]
```
        F       C        G
I’m just uptight, uptight
F      C    G
Uptight, uptight
F      C        G
Uptight, uptight
F      C   (G7)
Uptight, uptight
```
