King Gizzard & The Lizard Wizard - Cold Cadaver

[Intro] G

[Verse 1]
G
Dark and cold, out my front window
                          Em G
I can hear her say, from two miles away

[Chorus]
     Dbdim   Am   D
This can’t be over, can’t be over
G   F   Bb   C
Heard her, before, knocking at my front door
G   F   Bb
I said, what’s the problem, she said
C   G   Bb C G
It’s the cold cadaver, cadaver
F   Bb   C
I was sleeping, when I heard her preaching
G   F   Bb
I said, what’s the problem, she said
C   G   Bb C   G   Bb C
It’s the cold cadaver, cadaver,   cold cadaver, cadaver

[Verse 2]
G
My tongue is big, but not as big as his
G
Nostrils, mouth and ears, start to disappear

[Chorus]
```
     Dbdim          Am       D
This can’t be over, can’t be over
G         F       Bb             C
Heard me, before, banging at her front door
G         F                   Bb
She said, what’s the problem, I said
C               G              Bb  C
It’s the cold cadaver, cadaver
      G               Bb  C        G               Bb  C
Cold cadaver, cadaver,      cold cadaver, cadaver
      G               Bb  C        G               Bb  C
Cold cadaver, cadaver,      cold cadaver, cadaver
      G               Bb  C        G               Bb  C
Cold cadaver, cadaver,      cold cadaver, cadaver
```
