Black Sabbath - Changes

[Verse 1]
```
         C                C
I feel unhappy, I feel so sad
           Dm                      C
I lost the best friend that I ever had
           C                   C
She was my woman, I loved her so
         Dm                          C
But it’s too late now, I’ve let her go
```

[Chorus]
```
F   Em            Dm       F   Em            Dm
I’m going through changes, I’m going through changes, in my life
```

```
|F   |Em   |Dm
|G   |F    |Am G |Am G
```

[Verse 2]
```
              C                      C
We shared the years, we shared each day
          Dm                  C
In love together, we found a way
             C                   C
But soon the world had its evil way
             Dm                   C
My heart was blinded, love went astray
```

[Chorus]
```
F   Em            Dm       F   Em            Dm
I’m going through changes, I’m going through changes, in my life
```

```
|F   |Em   |Dm
|G   |F    |Am G |Am G
```

[Verse 3]
```
          C           C
I took so long, to realize
            Dm                C
I can still hear her last goodbye
               C                     C
And now all my days are filled with tears
                Dm                     C
Wish I could go back and change these years
```

[Chorus]
```
F   Em             Dm       F   Em             Dm
I’m going through changes, I’m going through changes, in my life
```
