Nina Simone (Oscar Hammerstein) - It Might As Well Be Spring

[Intro]
A/E E9 A/E E6 B7 B7#5 E9

[Verse 1]
```
    A                Amaj7   A6            A
The things I used to like, I don't like anymore
A               Amaj7             A6          A
I want a lot of other things I've never had before
     D            E9   A/E     Bm7  E7        A6
It's just like my mama says, I sit around and mourn
   D            E9      A/E       Bm7    E7   A6     E7
Pretending that I am so wonderful knowing I'm adored
```

[Chorus]
```
A6                   Amaj7       A         Amaj7
I'm as restless as a willow in a windstorm
A6                Amaj7        Em7      A7
I'm as jumpy as a puppet on a string
    D          Bdim       A6 A/E       Bm7     Bdim  Amaj7
I'd say that I had spring fever, but I know it isn't spring
```

[Chorus]
```
A6                     Amaj7   A            Amaj7
I'm as starry eyed and gravely discontented
A6                  Amaj7     A       Em7    A7
Like a nightingale without a song to sing
    D            Bdim        A6     A/E     Bm7   E7   Amaj7
Oh, why should I have spring fever, when it isn't even spring?
```

[Bridge]
```
Bm7                   Em7       Em7/B
I keep wishing I were somewhere else
Em7            Gdim    A7  D
Walking down a strange new street
D                   Bdim        C#7           F#m/A    B7
Hearing words I had never never heard, from a man I've yet to
E      E7
meet
```

[Chorus]
E7 A6 Amaj7 A Amaj7
I’m as busy as a spider spinning daydreams
A Amaj7 Em7 A7
I’m as giddy as a baby on a swing
D Bdim A6 A/E
I haven’t seen a crocus or a rosebud
A/E Bm7 E7 E9 C#7
Or a robin or a bluebird on the wing

[Outro]
Edim B7 E9
But I feel so gay in a melancholy way
A7 B7
That it might as well be spring
A/E E7sus E7
It might as well be
A/E E7sus E7
Might as well be
A/E E7sus E7 A
It might as well be spring
