[Verse]

```
         Bb                                  Ab
When you grow up, living like a good boy oughta
         Cm                                  Bb
And your mama, takes a shine to her best son
          Bb                                        Ab
Something different, all the girls they seem to like you
             Cm                                              Bb
Cause you're handsome, like to talk, and a whole lot of fun
             Cm            Cm/Bb
But now your girl's gone a missin'
         Cm/A             F     Bb
And your house has got an empty bed
             Cm               Cm/Bb
The folks'll wonder 'bout the wedding
           Cm/A        F        Bb
They won't listen to a word you said
```

[Chorus]

```

We'll get her jacked up on some cheap champagne
              Bb

And if the music ain't good, well that's just too bad
            Ab

Because the dancers don't mind at the New Orleans
       Bb                             Ab Ab A Bb
If you tip 'em and they make the cut
