The only things that you can see is all that you lack

All your cryin' don't do no good

Come down off the cross, we can use the wood

You gotta come on up to the house
```

You gotta come on up to the house

          Eb                  Cm               Ab            Eb
Well, you know you should surrender, but you can’t let it go

You gotta come on up to the house
```

[Chorus]
```
      Eb                                                    Cm
