Chappell Roan - Coffee

[Intro] |Em7 |A |

[Verse 1]

```
      D9
Can’t meet you for dinner at the Italian place
     Em7
It’s where I met your family, some words were exchanged
    D9
I’d suggest the jazz bar on MaryAnn street
          Em7
But you’d buy me a drink, and we know where that leads, so
```

[Chorus]

```
     D                            D/C
I’ll meet you for coffee, ‘cause if we have wine
       G            G/F#       Em7           A7
You’ll say that you want me, I know that’s a lie
   D                  D/C
If I didn’t love you, it would be fine
G            G/F#    Em7              A
Meet you for coffee, only for coffee, nowhere else is safe
Gmadd6                           D
Every place leads back to your place
```

[Verse 2]

```
         D9
You said let’s do the park ‘cause I love the park
Em7
That may be true, but God forbid it gets dark
     D9
Here come the excuses that fuel the illusions
        Em7
But I’d rather feel something than nothing at all, so
```

[Chorus]

```
     D                            D/C
I’ll meet you for coffee, ‘cause if we have wine
G                      G/F#     Em7           A7
You’ll say that you’re sorry, I know that’s a lie
   D                  D/C
If I didn’t trust you, it would be fine
```

```
G                  G/F#    Em7              A
I’ll meet you for coffee, only for coffee, nowhere else is safe
Gmadd6
Every place leads back to your-

[Bridge]
F#m7               Em7   F#m7        G          Gmadd6/A
We’ve done this before, And I don’t need it anymore

[Chorus]
   D                           D/C
So let’s not do coffee, let’s not even try
     G          G/F#          Em7          A
It’s better we leave it, and give it some time
   D                  D/C
If I didn’t love you, it would be fine
       G         G/F#          Em7        A7
‘Cause if we do coffee, it’s never just coffee
     Gmadd6/A   D      D/C  G  G/F#  Em7  A
It’s never just coffee

[Outro]
D  D/C  G  G/F#  Em7  A7  Gmadd6/A  D
