Silver Bells

[Verse 1]
```
     C                                      F
City sidewalks, busy sidewalks, dressed in holiday style
       G                          C
In the air there’s a feeling of Christmas
         C                                  F
Children laughing, people passing, meeting smile after smile
       G                          C
And on every street corner you hear
```

[Chorus]
```
C             F             G                            C
Silver bells, silver bells, it’s Christmas time in the city
C            F               G                           C
Ring a ling, hear them ring, soon it will be Christmas day
```

[Verse 2]
```
           C                                           F
Strings of street lights, even stoplights, blink a bright red
and green
       G                              C
As the shoppers run home with their treasures
         C                                        F
Hear the snow crunch, see the kids bunch, this is Santa’s big
scene
    G                          C
And above all the bustle you hear
```

[Chorus]
```
C             F             G                            C
Silver bells, silver bells, it’s Christmas time in the city
C            F               G                           C
Ring a ling, hear them ring, soon it will be Christmas day
```
