Idumea V1

[Intro] - Am C G Am

```
Am       C       Am   C
And am I born to die, to lay this body down
    G       C         Am     G   Am     C     Am
And must my trembling spirit fly into a world unknown

Am        C       Am     C
A land of deepest shade, unpierced by human thought
    G      C       Am     G     Am        C          Am
The dreary regions of the dead, where all things are forgot

Am           C       Am  C
Soon as from earth I go, what will become of me
 G      C    Am      G   Am           C       Am
Eternal happiness or woe must then my fortune be

Am           C       Am     C
Waked by the trumpet sound, I from my grave shall rise
    G       C          Am    G        Am          C       Am
And see the judge with glory crowned, and see the flaming skies
