All I Have Is Christ

```
           A       D/F#    G                     A        D
I once was lost in darkest night, yet thought I knew the way
             Dsus/E   D/F#    G               A      D
The sin that promised joy and life had led me to the grave
         D                   G           Em7     D/F#
I had no hope that you would own a rebel to your will
           Bm                G                Em7      Asus   A
And if you had not loved me first, I would refuse you still

         A      D/F#       G                  A      D
But as I ran my hell-bound race, indifferent to the cost
             Dsus/E D/F#     G                A      D
You looked upon my  helpless state and led me to the cross
        D                   G                    Em7   D/F#
And I beheld God's love displayed, you suffered in my place
             Bm                 G             Em7     Asus  A
You bore the wrath reserved for me, now all I know is grace

            A        D/F#   G                  A         D
Now Lord, I would be yours alone, and live so all might see
                Dsus/E D/F#    G                 A         D
The strength to follow your commands could never come from me
          D               G           Em7     D/F#
O father, use my ransomed life in any way you choose
           Bm           G           Em7      Asus  A
And let my song forever be, my only boast is you!

D/F# D G          A       Bm
Hallelujah, all I have is Christ
D/F# G Bm         Asus  D
Hallelujah, Jesus is my life
