Where We’ll Never Grow Old

[Verse 1]
```
       A                    D        A
I have heard of a land on a far away strand
       D         A           E
‘Tis a beautiful home of the soul
         A                        D           A
Built by Jesus on high, where we never shall die
       D                E          A
‘Tis a land where we’ll never grow old
```

[Chorus]
```
A                            D          A
Never grow old, where we’ll never grow old
     A                             E
In a land where we’ll never grow old
A                            D          A
Never grow old, where we’ll never grow old
     A                E          A
In a land where we’ll never grow old
```

[Verse 2]
```
        A                            D          A
In that beautiful home where we’ll never more roam
         D          A            E
We shall be in that sweet by and by
      A                           D        A
Happy praise to the king through eternity ring
       D             E           A
‘Tis a land where we never shall die
```

[Chorus]
A   D   A
Never grow old, where we'll never grow old
     A   E
In a land where we'll never grow old
A   D   A
Never grow old, where we'll never grow old
     A   E   A
In a land where we'll never grow old

[Verse 3]
         A   D   A
When our work here is done and our life's crown is won
        D   A   E
And our troubles and trials are over
        A   D   A
All our sorrows will end and our voices will blend
         D   E   A
With the loved ones who've gone on before

[Chorus]
A   D   A
Never grow old, where we'll never grow old
     A   E
In a land where we'll never grow old
A   D   A
Never grow old, where we'll never grow old
     A   E   A
In a land where we'll never grow old
