The Beatles - Wait

```
            F#m7 B     Bm  F#m  Db7          F#m
It’s been a long time, now I’m, coming back home
           F#m7 B   Bm F#m  Db7          F#m
I’ve been away now, oh how, I’ve been alone
A    D       A         D       A
Wait, till I come back to your side
D        A       Db7      F#m
We’ll forget the tears we cried

            F#m7  B       Bm    F#m   Db7      F#m
But if your heart breaks, don’t wait, turn me away
            F#m7    B       Bm   F#m Db7       F#m
And if your heart’s strong, hold on, I won’t delay
A   D        A         D       A
Wait, till I come back to your side
D        A       Db7      F#m
We’ll forget the tears we cried

          B                    E
I feel as though, you ought to know
               A                       F#m
That I’ve been good, as good as I can be
           B                 E
And if you do, I’ll trust in you
              A                 Db7sus Db7
And know that you will wait for me
