Chappell Roan - Super Graphic Ultra Modern Girl

[Intro]

Ab

You know what they say, never waste a Friday night on a first date. But there I was, in my heels with my hair straight.

And so, I take him to this bar. This man wouldn’t dance!

He didn’t ask a single question, and he was wearing these fugly jeans (ew!). It doesn’t matter though. He doesn’t have what it

Ab Db Ab

takes to be with a girl like me.

[Pre-chorus]

Ab

Aaaaah, not overdramatic, I know what I want

Gb Db

Aaaaah, we’re leaving the planet, and you can’t come

[Chorus]

Ab

Uh-huh, I’m through, with all these hyper mega bummer boys like you

Gb Db

Oh yeah, I need, a super graphic ultra modern girl like me

Ab

We’re hot, we’re drunk, wow, well look at her moving baby, she’s the one

Gb Db

Telling secrets, there on the mattress
