Twas grace that taught my heart to fear, and grace my fears

How precious did that grace appear the hour I first believed

My God who called me here below shall be forever mine

They would eat his poor heart with knife and fork, and stew his

bones and brains
```

 D                 G         D                                  A
